

# Bachelor's Programs

- [Bachelor of Arts with a major in applied science and technology](#)
- [Bachelor of Arts with a major in computer science](#)
- [Bachelor of Science with a major in biomedical engineering](#)
- [Bachelor of Science with a major in civil engineering](#)
- [Bachelor of Science with a major in civil engineering, environmental engineering option](#)
- [Bachelor of Science with a major in computer engineering](#)
- [Bachelor of Science with a major in computer science](#)
- [Bachelor of Science with a major in electrical engineering](#)
- [Bachelor of Science with a major in electrical engineering, energy option](#)
- [Bachelor of Science with a major in electrical engineering, medical preparation option](#)
- [Bachelor of Science with a major in mechanical engineering](#)
- [Bachelor of Science with a major in mechanical engineering, aerospace option](#)
- [Bachelor of Science with a major in mechanical engineering, biomechanical option](#)
- [Bachelor of Science with a major in mechanical engineering, medical preparation option](#)
- [Bachelor of Science with a major in mechanical engineering, patent law option](#)
- [Bachelor of Science with a major in mechanical engineering, robotics option](#)
- [Bachelor of Science with a major in systems engineering](#)

## Minors

- [Minor in biomedical engineering](#)
- [Minor in computer engineering](#)
- [Minor in computer science](#)
- [Minor in data analytics for decisions](#)
- [Minor in electrical engineering](#)
- [Minor in engineering management](#)

- [Minor in mechanical engineering](#)
- [Minor in operations research](#)
- [Minor in systems engineering](#)

## Combined Programs

- [Dual Bachelor of Arts or Bachelor of Science and GW School of Business Master's Degree](#)
- [Dual Bachelor of Arts with a major in computer science and Master of Science in the field of computer science](#)
- [Dual Bachelor of Arts with a major in computer science and Master of Science in the field of cybersecurity in computer science](#)
- [Dual Bachelor of Science with a major in biomedical engineering and Master of Science in the field of biomedical engineering](#)
- [Dual Bachelor of Science with a major in biomedical engineering and Master of Science in the field of computer science](#)
- [Dual Bachelor of Science with a major in civil engineering and Master of Science in the field of environmental engineering](#)
- [Dual Bachelor of Science with a major in civil engineering and Master of Science in the field of structural engineering](#)
- [Dual Bachelor of Science with a major in civil engineering and Master of Science in the field of transportation engineering](#)
- [Dual Bachelor of Science with a major in computer engineering and Master of Science in the field of computer engineering](#)
- [Dual Bachelor of Science with a major in computer engineering and Master of Science in the field of electrical engineering](#)
- [Dual Bachelor of Science with a major in computer science and Master of Science in the field of computer science](#)
- [Dual Bachelor of Science with a major in computer science and Master of Science in the field of cybersecurity in computer science](#)
- [Dual Bachelor of Science with a major in electrical engineering and Master of Science in the field of computer engineering](#)

- [Dual Bachelor of Science with a major in electrical engineering and Master of Science in the field of electrical engineering](#)
- [Dual Bachelor of Science with a major in mechanical engineering and Master of Science in the field of mechanical and aerospace engineering](#)
- [Dual SEAS Bachelor of Science majors and Master of Science in the field of computer science](#)
- [Dual SEAS Bachelor of Science majors and Master of Science in the field of cybersecurity in computer science](#)
- [Dual SEAS Bachelor of Science majors and Master of Science in the field of data analytics](#)
- [Dual SEAS Bachelor of Science majors and Master of Science in the field of engineering management](#)
- [Dual SEAS Bachelor of Science majors and Master of Science in the field of systems engineering](#)
